

## Turning Setbacks Into Comebacks with Willie Jolley

### Program Description

Have you ever wondered how other people are constantly successful and you seem to be achieving the same thing over and over? Would you like to open your self for change and develop a method to take control of your life? People go through life searching for success through trial and error and eventually give up trying. While others around them develop a method that continually brings them success over and over. Willie Jolley is here to help you develop your own recipe for success.

Willie Jolley, captivating speaker and international best-selling author of *It Only Takes a Minute to Change Your Life!*, delivers a powerful message that will inspire you to transform your thinking so you can embrace change and take control of your life. In this program Willie shares his techniques for overcoming life's challenges, delivers anecdotes, humorous insights and stories that will encourage you to focus and take positive action. Willie has a visual and tonal energy will captivate you into a hungry state of wanting to know how to develop your own recipe for personal success.

Change is essential to any growth process and Willie's formula for success "VDAD" (Vision, Decision, Action, Desire) will motivate and guide you to take essential following steps to turn trial into triumphs and hardships into extraordinary opportunities.

Vision - Only you are in control of what you want to achieve. Develop the vision of what you want out of your life. "Imagination is more powerful than knowledge." - Albert Einstein

Decision – You need to decide the people, places and things that you want to keep in your life that will help you in the quest to achieve your vision. Keep a positive attitude while making the decision to follow your vision.

Action – Nothing happens unless you take action to full fill your dreams. You can develop a recipe for success, but unless you follow the steps to the recipe you don't know if it is good or needs changes.

Desire – You need to want something so bad that you will try again and again until you reach your goals.

As Willie Jolley puts it, "A setback is nothing but a setup for a comeback!"
